

Dear Colleague

I am pleased to announce that the proceedings of the First International Conference on e-Social Science are now available from our website <http://www.ncess.ac.uk>

The conference was held in Manchester, UK from the 22nd – 24th June 2005 and was deemed a great success by all who attended.

The presentations along with their respective papers are available for paper sessions, panel sessions and key notes.

I would be grateful if you could pass this information onto any interested professional bodies or mailing lists. I would also be grateful if you could add the date of the Second International Conference on e-Social Science to your calendars. It will be held once again in Manchester from the 28th – 30th of June 2006.

Best wishes
